Senior Project Mission Statement

The St. Dominic Savio Senior Project is an opportunity for the senior class to be servant leaders through work at a social service agency or by investigating a prospective career before graduating from St. Dominic Savio Catholic High School. As members of the Catholic community, seniors complete the Senior Project in order to learn about the needs of the greater world, gain life experience in working with others, and recognize Gospel values in the workplace.

Prayer to St. Joseph the Worker

Joseph, by the work of your hands and the sweat of your brow,
you supported Jesus and Mary, and had the Son of God as your fellow worker.

Teach me to work as you did, with patience and perseverance,
for God and for those whom God has given me to support.

Teach me to see in my fellow workers the Christ who desires to be in them,
that I may always be charitable towards all.

Grant me to look upon work with the eyes of faith,
so that I shall recognize in it my share in God's own creative activity
and in Christ's work of our redemption, and so take pride in it.

When it is pleasant and productive, remind me to give thanks to God for it.

And when it is burdensome, teach me to offer it to God,
in reparation for my sins and the sins of the world.

Thank you especially to the following persons for their support of this project: faculty advisors, the student presenters, Mr. Daniels, the Office of Formation and Ministry, Mrs. Artzt, and the workplace sponsors & businesses.
